

NEW DEVELOPMENT

Mini Crosser has now designed a smart and elegant CABIN with built in heating system and windscreen wiper.

The result is greater freedom of movement in all kinds of weather.

MINI CROSSER T-MODEL
CABIN

Built for endurance...

The Mini Crosser is individually made for your own personal requirements.
 At Mini Crosser we care about the environment. Our products are made of materials that can be recycled. Further the materials have a long service life.
