- characterised by quality and experience

Mini Crosser HD lives up to the tried and tested Mini Crosser quality – with a focus on design, function and comfort. A powerful motor, four rugged wheels, a wide, swivelling seat and not least comfortable suspension give the optimum in pleasure and freedom of movement. Mini Crosser HD is included with suspension in front and rear.

Mini Crosser HD is designed for users up to 250 kg, without diminishing comfort or the maximum speed of 10 km/hour on flat surfaces.
