

# OFF-ROAD

- For the joy of living...

## MC MAXx

# Freedom

– And experiences for life

Mini Crosser MAXx is designed to move you safely and comfortably both in the day-to-day situation and for adventure in the countryside – and even a joyride cross-country.

Two powerful motors, a robust design, four rugged wheels, a wide, swivelling seat and not least comfortable suspension give the optimum in pleasure and freedom of movement.

Mini Crosser MAXx is designed for users up to 250 kg.

Test drive a Mini Crosser and you will understand why our scooter is the finest on the market.

The Mini Crosser is not just a scooter. It combines the very best of ergonomics, technology and design.

At Mini Crosser our scooters are individually made to meet your requirements.
